

# THE WORLD OF CERAMIC ACCESSORIES & PROFILES

 **RYAN'S**  
BUILDING MATERIALS

## Vision

Our vision is to deliver the highest quality at the best value. To achieve this, we have dedicated our efforts and research towards developing innovative and unique products that remain accessible to our clients at competitive prices. We have a specialized team committed to exploring new ideas and solutions, ensuring that our products are both affordable and of the finest quality. While we prioritize cost-effectiveness, we never compromise on the standards of excellence that define our work.

## Mission

With the continued support of our esteemed clients, we are committed to expanding our product range, aiming to grow our brand without boundaries. Our mission is to ensure that you no longer need to pay elevated prices for newly designed decorative profiles—we are dedicated to offering the same exceptional quality at more competitive rates. By making innovation more accessible, we strive to provide our clients with outstanding value while maintaining the highest standards of excellence.

# ABOUT US

We are genuinely grateful for the opportunity to collaborate with you. At Ryan's Building Materials, customer satisfaction is not just a goal—it is the cornerstone of everything we do. We take pride in delivering service that is not only reliable but also aligned with the highest industry standards, ensuring that every interaction reflects our dedication to quality and integrity.

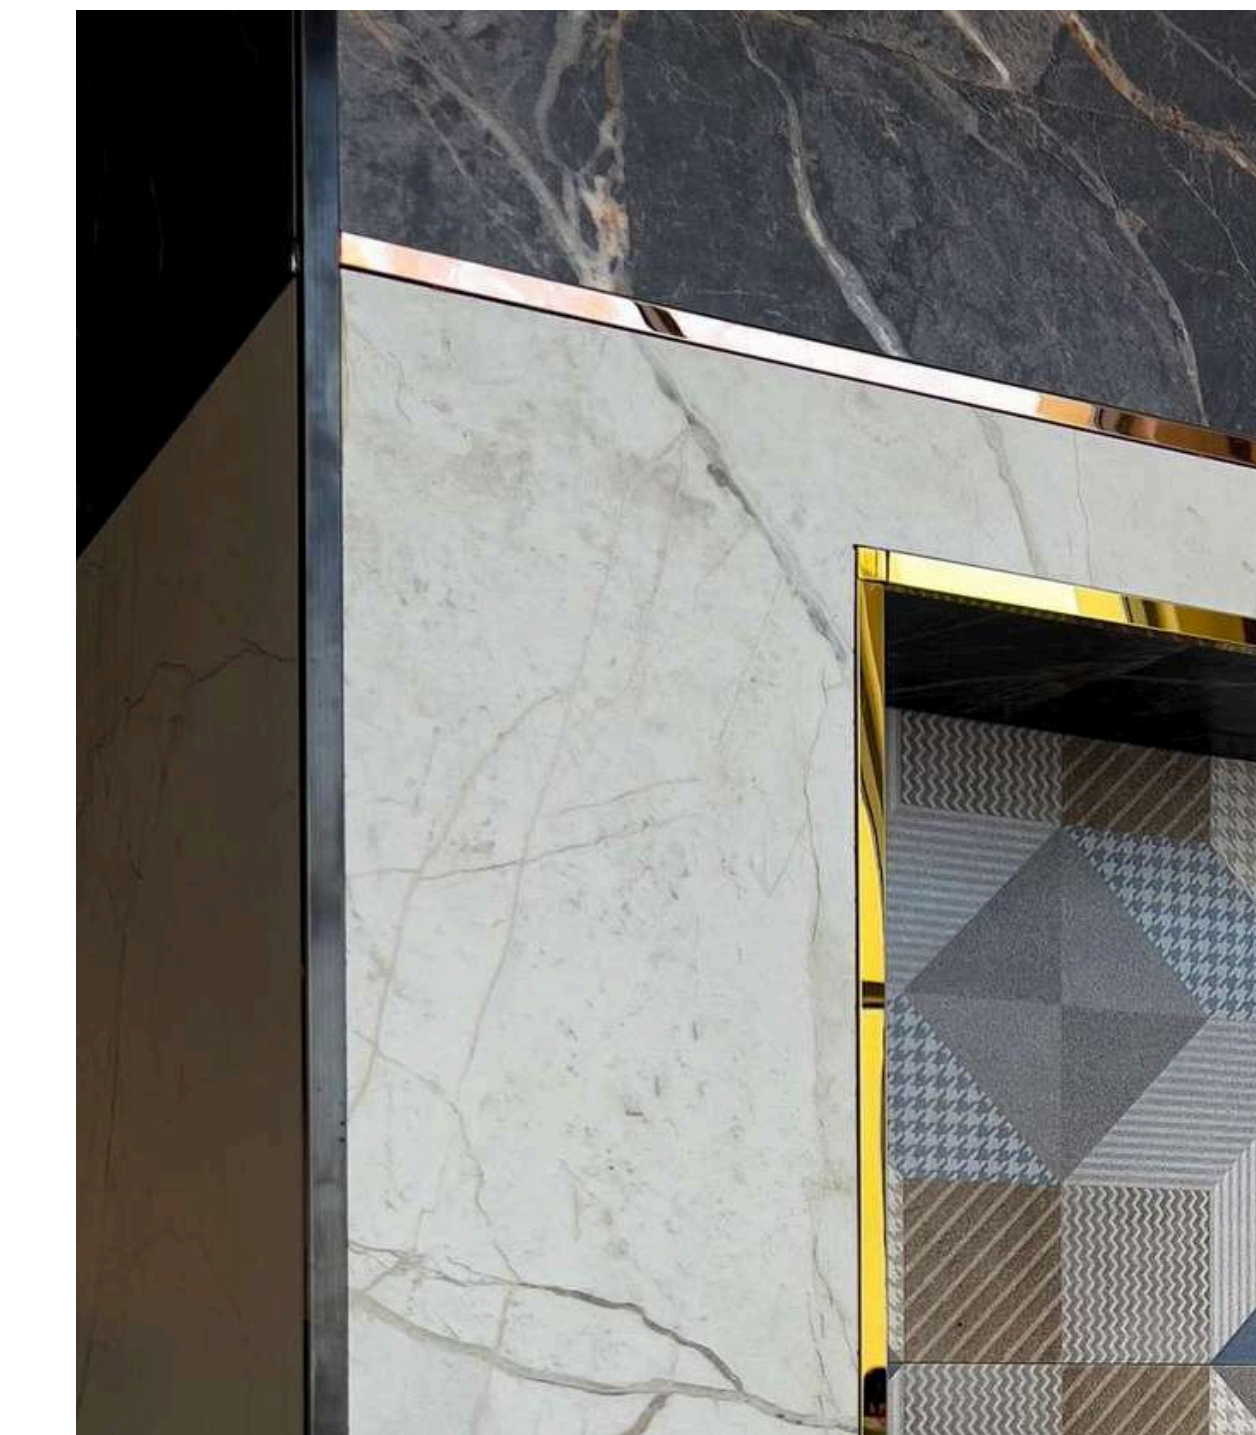

Founded as a family-wned business, Ryan's Building Materials has grown steadily to become a trusted name in the construction sector. Our journey has been shaped by strong values, long-term partnerships, and a steadfast commitment to meeting the needs of our clients. What began as a small operation focused on essential building materials has evolved into a comprehensive provider catering to a wide range of construction demands.

Today, our catalog includes a growing range of specialized products tailored for sanitary installations and tile applications—excluding tiles and bathroom fixtures. Our offerings now extend into carefully selected ceramic accessories, curated to meet the aesthetic and functional needs of modern construction and renovation projects.

At the heart of our success lies a commitment to excellence, a deep understanding of the building materials industry, and an unwavering focus on delivering practical solutions that support both small-scale and large-scale projects.

We look forward to building a lasting relationship with you—one built on trust, performance, and shared success.

# Cleaning Products

## Fila Products

**RYAN'S**  
BUILDING MATERIALS

**PS87 PRO**

It cleans stubborn stains and removes grease from dirty floors.

**CR10**

High viscosity liquid detergent for cleaning epoxy grout residues, stains and streaks from wall and floor surfaces.

**FOB XTREME**

Water- and oil-repellent: it hampers the absorption of common watery and oily stains.

**HYDROREP**

Protects outdoor floors from water and damp. Makes walls and coverings water-repellent.

## CLEANER PRO

Professional maintenance for surfaces.

## ETERDEK PRO

End of work cleaning

## PW10

Eco-Compatible Pre-Laying treatment against efflorescence

## MAX

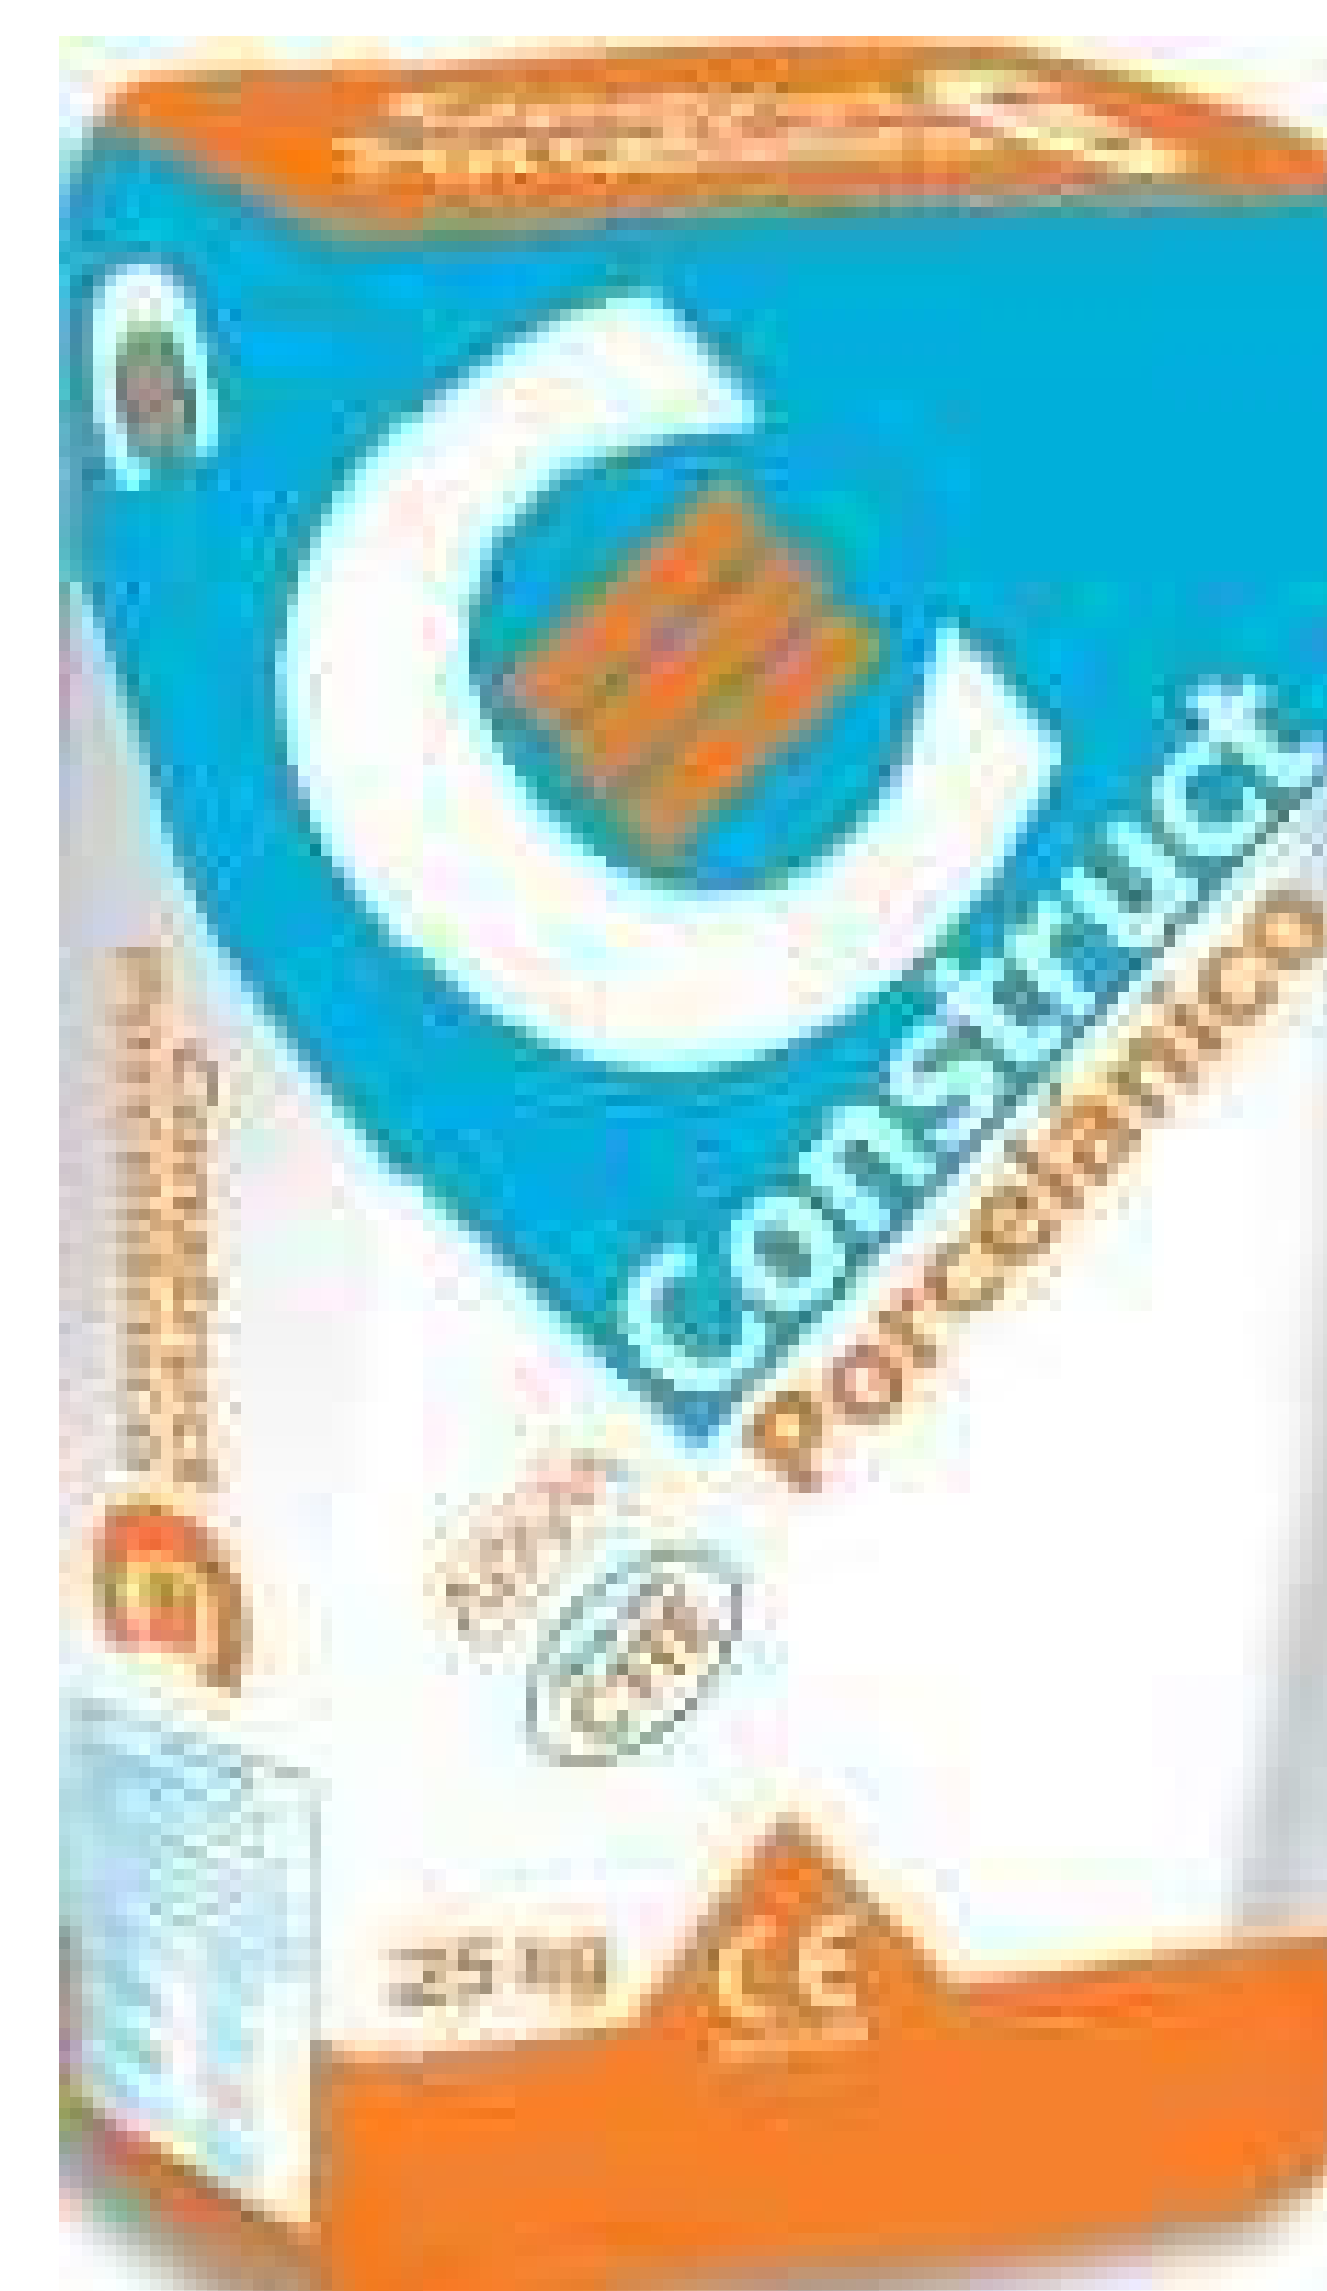

Works effectively as a strong wax remover where traditional water-based wax removers fail.

## CONTRACTOR'S CHOICE

Protects natural stone and grout joints from stains. Protects grout joints from water and humidity.
